

Boegli Kramp: De aedibus 54 (English and German Edition)

Boegli Kramp respond to the qualities of the location and the specific nature of the construction task. Since 2001, the home for the disabled in Mollie-Margot, which is entirely dedicated to rural building culture, and the La Broye intercantonal secondary school in Payerne, which is majestically enthroned in the wide open landscape, have been created in this way.
