

## Mel Bay Essential Jazz Etudes... The Blues for Trumpet

This collection of jazz etudes with an accompanying CD gives students a fun and effective way to learn to play jazz style blues lines. The CD tracks provide a professional rhythm section (piano, bass, drums) to play along with, plus recordings of professional jazz musicians playing each etude. The recordings help to provide a model for the students stylistic development, and an opportunity to play with a great band! Each of the 12 etudes provides a new challenge to master.
