

Nineteenth Biennial Report of the State Board of Fish Commissioners of the State of California: For the Years 1905-1906 (Classic Reprint)

Excerpt from Nineteenth Biennial Report of the State Board of Fish Commissioners of the State of California: For the Years 1905-1906 We also submit for your consideration the recommendations which, in our judgment, and based upon our experience in carrying on this work, would tend to the betterment of existing conditions as they refer to the fish and game interests of our State. Since the Eighteenth Biennial Report was issued, the personnel of this Board has undergone one change. At a meeting held on March 23, 1905, Mr. John Bermingham, J r., of Pinole, who had been appointed by you as a member of the Fish Commission, presented his credentials and was thereupon seated as a member of this Board. Regular meetings of the Board have been held during the first Of every month, and at such other times as the interests of the work seemed to require.
