

The Beach Boys on CD, Vol. 1: 1961-1969

Between 1961 and 1969 the Beach Boys made nineteen albums, including some of the best music ever recorded - and some not so good. In this book, Andrew Hickey looks at this music track by track, analysing every song that Brian, Carl, Dennis, Mike, Al, Bruce and David recorded and released during that time period. From early surf and car classics like 409 to sophisticated masterpieces like Time To Get Alone, in this book you'll learn how they were recorded, why they work the way they do, and which albums to buy if you want to hear a great band at their best.
