Xianfeng! provides a comprehensive overview of Chinese sculpture from the 1990s until the present day. Despite their growing fame in the West, all the artists selected for the exhibition in Scheveningen have chosen to continue their careers in China as a contribution to the development of their country. This book has been published in response to the first overview of contemporary Chinese sculpture in The Netherlands, organised by Cees Hendrikse, Julia Colman, Alex Lebbink and Sabine Wang, as w
